## THE ROBERT S ABBOTT RACE UNITY INSTITUTE

*"Fostering Relationships Between People"*

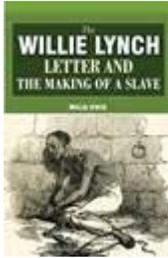

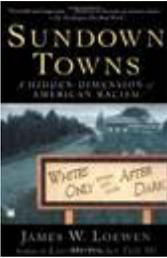

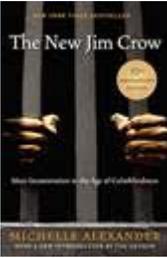

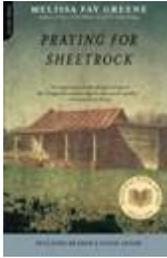

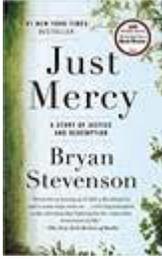

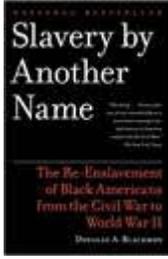

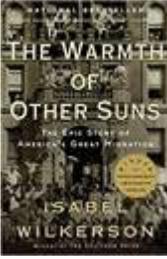

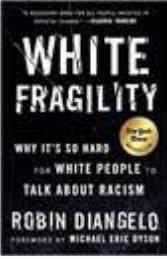

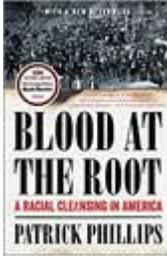

Greetings Everyone:

Our September 14th Unity in Diversity Luncheon was an enlightening discussion of **The 1619 Project**, which is a program organized by The New York Times with the goal of re-examining the legacy of slavery in the United States and timed for the 400th anniversary of the arrival in America of the first enslaved people from West Africa.

*Our own Melinda Ennis-Roughton presented the project and lead our discussion.* Thank you to everyone who joined us for lunch. It was great to meet new guests and see many old friends! Please enjoy a few pictures below.

Many of the luncheon guests also shared these books as Recommended Reading, please visit our facebook page for more information
